Year 1

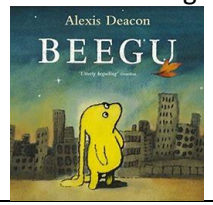
Autumn 2 2024

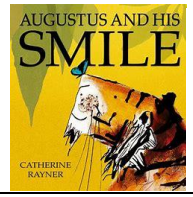
English

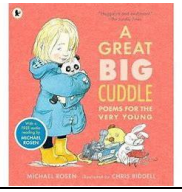
In English, we will be making sure we are writing simple sentences, which includes a capital letter and full stop. We will then move on to extending sentences, joining them together using 'and', 'but' and 'so'. Within grammar, we will identify and use nouns and adjectives. We will read together every day sharing books. We will also have a phonics lesson each day, identifying different phonemes within words, which will help with our reading and writing. We will write narratives and poems. We will explore rhyming words.

Core texts

Core Texts: Augustus and His Smile, Beegu, A Great Big Cuddle







Maths

Read, write and interpret mathematical statements involving addition (+), subtraction (–) and equals (=) signs.
Add and subtract 1-digit and 2-digit numbers to 20.
Solve missing number problems such as 7 = ☐ – 9 (within 10).
Solve one-step problems that involve addition and subtraction, using concrete objects and pictorial representations and numbers to 20.
Recognise and know the value of different denominations of coins and notes.

Number facts

Represent and use subtraction facts within 10.

Represent and use number bonds within 20.

Science

In Science we will be exploring the different uses of materials and testing them for warmth and insulation. Also, we will look at seasonal changes around us – Winter – exploring hibernation and migration.

History

In History we will be looking at changes in toys in recent history. We will also look at the life of Mozart.

Art and Design

In Art we will be exploring spirals, using different tools and using inspiration from Kandinsky and Andrew Goldsworthy.

Physical Education

In P.E., we will travel with a ball in different ways. Follow simple rules to play games, including team games. Use simple attacking skills such as dodging to get past a defender.

Computing

In Computing, we will be studying 'Privacy and Security' discussing how to stay safe when online. We will be exploring Digital Painting – using different tools in a program to create art. Then we will make a comparison with our art working non digitally.

Personal, Health, Social Education and Relationships and Sex Education

We will learn about similarities and differences, celebrating differences. We will also look at bullying.

Religious Education

In Religious Education we will be exploring Christmas – why are gifts given?

Music

We will be singing songs, adding actions.
Explore making different sounds with their voices.
