

# Monthly Newsletter

## February 2026

Dear Parents and Carers, a very warm welcome to the second newsletter of 2026. I would like to start this newsletter by thanking all our parents and carers who have attended or will be attending one of our parental consultations, it is great to have such partnership. Please remember it is not too late to meet with your child's class teacher, simply contact them via ClassDojo.

### THANK YOU

Thank you to all our parents and carers, who have sent messages of support for Mrs. Kashouris during her unplanned absence. I know they are greatly appreciated. Please remember in the interim Mrs. Dawn Tate has taken over the role of Designated Safeguarding Lead. Mrs. Tate can be contacted via the school office.

### THE DOUBLE

On Friday 16<sup>th</sup> January 2026, we received TWO trophies for our phenomenal fundraising for the Poppy Appeal.

### Rotary Club Statement:

*"The total collected from the Schools & Colleges, this year, was a magnificent £8378.18. The school raising the most was Throston Primary School, achieving a record £1286.53, a quite remarkable total. Not only did Throston retain their Trophy, but they also achieved the most per pupil, at £3.18 per pupil for which they were awarded a second trophy".*

This is the first time we have received the £ per pupil trophy. The trophies were presented by Rotary President Roderick Thompson. Well done, Throsties!

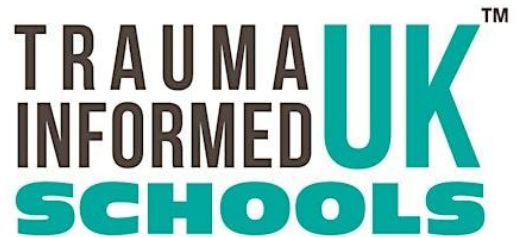

## NEW FACES

A very warm welcome to the following new Throsties: Isaac Ankers, Vincent Bolton, Poppy Buttery, Penny Corbett, Fatima Khan Mughal, Hassan Khan Mughal, Axel Kirby, Gracie Morrison, Arthur Shaw, Jaxon Sladen, Ollie Slater, Chester Stokoe, Bobby Storer and Sonny Williams. All the children have joined Nursery with the exception of Vincent who has joined Reception. We hope they are enjoying school and adapting to daily life as a Throstie.

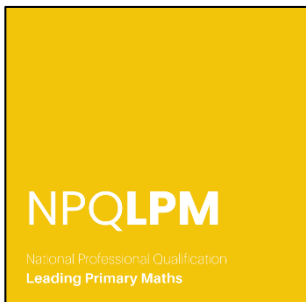

## NEW QUALIFICATION

I am delighted to announce that Miss. Younghusband has now achieved a Level 5 Diploma in 'Trauma and Mental Health Informed Schools'. This is great news for the school to have our own practitioner with so much expertise to support many of our pupils. Well done to Miss. Younghusband - all your hard work and dedication has paid off.

## COMPUTER SUCCESS

We are delighted to confirm that Throston Primary School has been awarded The National Centre for Computing Education Quality Mark for excellence in computing curriculum delivery. A HUGE thank you to Mrs. Sharp (our computing lead) for ensuring we obtained this prestigious award.

## MATHS SUCCESS

I am delighted to announce that Mrs. Ord has just been awarded the National Professional Qualification for Leading Primary Maths. This will ensure Mrs. Ord continues to ensure we have a high-quality evidence-informed approach to developing our maths curriculum. Well done Mrs. Ord - all your hard work, study and dedication was worth it!
