Promote the health and safety of our school community

For example, by not smoking or vaping on school grounds, making sure your child

doesn't ride a scooter or bike on school grounds, helping to keep school clean and safe.

Set a good example

Through modelling how to behave with staff, pupils and other adults.

Work with us

Work together with staff members for the benefit of your child and to resolve any issues of concern by making an appointment to discuss any concerns.

Communicate respectfully at all times

Use ClassDojo, social media and the school telephone (including the school answering machine) appropriately.
