Autumn

2024

English

In English, we will be making sure we are writing simple sentences, which includes a capital letter and full stop. We will then move on to extending sentences, joining them together using 'and'. Within grammar, we will begin to identify nouns and adjectives. We will read together every day sharing books. We will also have a phonics lesson each day, identifying different phonemes within words, which will help with our reading and writing.

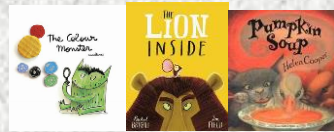

Maths

In Maths, we will practise lots of counting starting with counting forwards and backwards in ones to a hundred. We will focus on place value of numbers identifying numbers that are more or less than a given number and learning number bonds to ten. We will use our knowledge of numbers we will complete addition and subtraction problems using different apparatus to help us. We will describe 2D and 3D shapes.

Science

In Science we will be exploring the different properties of materials and testing them. We will introduce absorbency and waterproof. Also, we will look at seasonal changes around us.

Core Texts: **The Lion Inside, The Colour Monster, Pumpkin Soup**

Computing

In Computing, we will be studying 'My Online Life' discussing how to stay safe when online. We will also be learning keyboard skills including how to log on and off safely. We will look at technology around us.

History/Geography

In Geography we will be looking at weather in the UK and seeing how it affects the clothes we wear and how climate can affect the jobs people do.

Relationships Education and Health Education

We will learn about our rights and responsibilities as a class member.

Music

We will be learning to play percussion instruments and keeping a beat whilst we play the instrument.

Religious Education

In Religious Education we will be exploring what happens in a church, such as weddings and christenings and the different parts of the church.

Art and Design/Design and Technology

In Design and Technology, we will be using different tools to make food with fruit and vegetables.

Physical Education

In P.E., we will be choreographing dance routines and evaluating them.
